REPORT FOR OUR DONORS AND FRIENDS

#1

Robotics Club for Aparan Kids

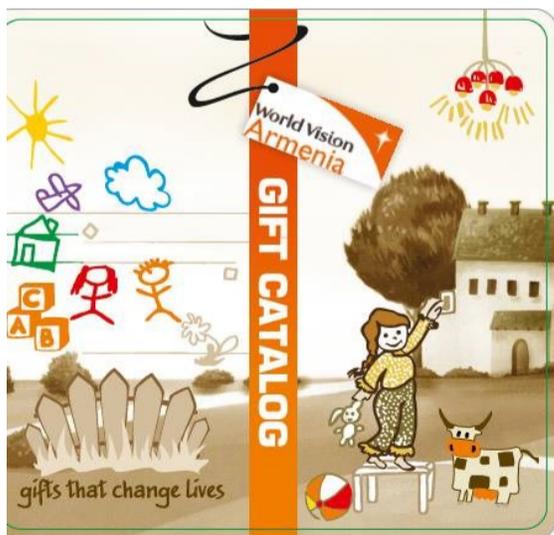

"I hope that one day I will design a home-robot, which will help me at home in everything,"
Ashot, 16.

A Youth Robotics Club opened in a school in Aparan in February 2014, thanks to the monthly donations from Monitis GFI and its staff. Armed with different robotics programs and equipment, the club provides schoolchildren with initial knowledge of robotics, as well as actual practice in building robots that are programmed to carry out certain tasks.

"This is our pleasure to see that our small investments become to a huge change in the children's lives," says Mikayel Vardanyan, Director of Operations at Monitis GFI. [Read more..](#)
